

Refurbishment Specification Checklist

A quick-reference checklist used by our engineers for every refurbishment engagement. Print and bring to site, or share with your facilities team.

- Confirm car interior dimensions and weight allowance
- Select wall, ceiling and floor finishes
- Specify handrail style and DDA compliance
- Choose COP and LOP fixture range
- Confirm lighting (LED) and ventilation upgrades
- Agree access window and protection of common parts
- Review fire-rated material certificates
- Sign-off mood board with client before order

Questions? Email service@angellifts.co.uk — a senior engineer will respond the same working day.
